CLEANING AND VIDEO INSPECTION OF SEWER LINES, ASSESMENT DISTRICT 2, NORTHCREST
Addendum 1 dated 6 November 2026

I. All content included in this section of addendum 1 is hereby incorporated and made a part of the bid documents. Where provisions of this addendum differ from those of the invitation to bid, this addendum, including attachments, governs and take precedence. **This addendum must be referenced on the Bid Form.**

A. The following is replaced or modified by this addendum:

1. Bid Form. See attached. This bid form adds a deductive bid line for County provided traffic control in lieu of the contractor providing traffic control.
2. Project Title: "CLEANING AND VIDEO INSPECTION OF SEWER LINES ~~AND MANHOLES~~, ASSESMENT DISTRICT 2, NORTHCREST"

B. The following is added to the invitation to bid:

1. "Contract award will be based on the lowest Grand Total on the bid form."
2. "One of the following California contractor's license classification is required for this work; C-36 Plumbing Contractor, C-34 Pipeline Contractor, C-42 Sanitation System Contractor, or other applicable license type."
3. "Site specific traffic control plans are not required. Caltrans standard traffic control plans or equal to be implemented."
4. "Owner may chose to issue contract for any combination of bid items or for an agreed upon total linear feet of cleaning and CCTV based upon the unit prices in the Bid Form."

II. The following includes responses to questions that have been asked but do not modify the bid documents.

A. QUESTION: Do manholes have a bid line item?

RESPONSE: Manhole inspections are not included in this project.

Jon Olson
County Engineer
