TECHNICAL ADVISORY COMMITTEE MEETING #5 “ECONOMIC DEVELOPMENT & NATURAL RESOURCES”

SEPTEMBER 10, 2026 AT 9:00 A.M.

**BOARD OF SUPERVISORS CHAMBERS
981 H STREET, SUITE 100
CRESCENT CITY, CA 95531**

1. Call to order.
2. Public comment period.
3. Receive feedback from California Department of Fish and Wildlife (CDFW) staff regarding the Pacific Shores Watchman’s Station and provide direction to staff regarding whether to:
 - Request an extension of the existing Coastal Development Permit (CDP) for the Pacific Shores Watchman’s Station from the California Coastal Commission;
 - Request a renewed Right-of-Entry from CDFW to allow the County to continue occupying and operating the Watchman’s Station Parcel; and
 - Direct staff to present the matter to the Board of Supervisors for consideration and authorization to pursue the CDP extension and renewed Right-of-Entry.
4. Contingent upon CDFW’s support of continued County occupancy and operation of the Watchman’s Station and direction from the Committee to pursue an extension of the Coastal Development Permit, provide recommendations regarding extending overhead electrical service to the Watchman’s Station, including:

- Whether the County should pursue extending overhead electrical service to the Watchman's Station;
- Potential funding sources and responsibility for the costs associated with extending and maintaining electrical service; and
- Whether to direct staff to present the matter to the Board of Supervisors for consideration and authorization.

If the Committee recommends pursuing the extension of electrical service, direct staff to also request an amendment to the Coastal Development Permit to authorize replacement of the existing solar and generator power sources with electrical service.

5. Provide an update on the development of the Comprehensive Economic Development Strategy.

6. Update on Economic Development Services Manager position.
