The Board of Supervisors of the County of Del Norte and the governing body of all other special assessment and taxing districts, for which said Board so acts, is now meeting in special session. AGENDA ITEMS

1. Receive an update from NM&R Architects and Engineers on the progress of the Jail Rehabilitation Project and provide direction on the recommended project approach. a) Authorize the recommended approach to rehabilitating the County jail, including the temporary use of Juvenile Hall (the Youth Opportunity Center) for adult custody during construction and development of the planned facilities on vacant County-owned property at the corner of 5th and G Streets to accommodate displaced Probation Department operations. Both the jail rehabilitation and development of the planned facilities are contingent upon identification of capital project financing and subsequent Board consideration and approval of that financing. b) Authorize the Probation Department to use the planned facilities and portions of the County's Veterans Memorial Hall for youth probation services and programs during the temporary use of Juvenile Hall for adult custody. Both authorizations are recommended by the Capital Improvements and Infrastructure Technical Advisory Committee and the Jail Rehabilitation Project Workgroup.
